

James Bond Lyrics

Skyfall

This is the end
Hold your breath and count to ten
Feel the Earth move and then
Hear my heart burst again
For this is the end
I've drowned and dreamt this moment
So overdue, I owe them
Swept away, I'm stolen

Let the sky fall
When it crumbles
We will stand tall
Face it all together
Let the sky fall
When it crumbles
We will stand tall
Face it all together
At Skyfall
At Skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart

Let the sky fall (let the sky fall)
When it crumbles (when it crumbles)
We will stand tall (we will stand tall)
Face it all together
Let the sky fall (let the sky fall)
When it crumbles (when it crumbles)
We will stand tall (we will stand tall)
Face it all together
At Skyfall

Where you go, I go
What you see, I see
I know I'd never be me
Without the security
Of your loving arms
Keeping me from harm
Put your hand in my hand
And we'll stand

Let the sky fall (let the sky fall)
When it crumbles (when it crumbles)

We will stand tall (we will stand tall)
Face it all together
Let the sky fall (let the sky fall)
When it crumbles (when it crumbles)
We will stand tall (we will stand tall)
Face it all together
At Skyfall
Let the sky fall
We'll stand tall
At Skyfall
Ooh

Writing's on the Wall

I've been here before
But always hit the floor
I've spent a lifetime running
And I always get away
But with you I'm feeling something
That makes me want to stay

I'm prepared for this
I never shoot to miss
But I feel like a storm is coming
If I'm gonna make it through the day
Then there's no more use in running
This is something I gotta face

If I risk it all
Could you break my fall?

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

A million shards of glass
That haunt me from my past
As the stars begin to gather
And the light begins to fade
When all hope begins to shatter
Know that I won't be afraid

If I risk it all
Could you break my fall?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood

Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

The writing's on the wall

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

Live And Let Die

When you were young and your heart
Was an open book
You used to say live and let live
(You know you did)
(You know you did)
(You know you did)

But if this ever changin' world
In which we're livin'
Makes you give in and cry
Say live and let die
Live and let die

What did it matter to ya
When you got a job to do you got to do it well
You got to give the other fella hell

You used to say live and let live
(You know you did)
(You know you did)
(You know you did)

But if this ever changin' world
In which we're livin'
Makes you give in and cry
Say live and let die
Live and let die
