[I Want It That Way](#)

[Verse 1]  
[Anne Hathaway]  
You are my fire  
The one desire

[William Shakespeare]  
Believe when I say  
I want it that way

[Anne Hathaway]  
But we are two worlds apart  
Can't reach to your heart  
When you say  
That

[William Shakespeare]  
I want it that way

[Chorus: Anne Hathaway]  
Tell me why  
Ain't nothing but a heartache  
Tell me why  
Ain't nothing but a mistake  
Tell me why  
I never want to hear you say

[William Shakespeare]  
I want it that way

[Verse 2: Anne Hathaway]  
Am I your fire?  
The one desire  
Yes, I know

[William Shakespeare]  
It's too late

[Anne Hathaway]  
I want it that way

[William Shakespeare & Ensemble]  
Tell me why  
Ain't nothing but a heartache  
Tell me why  
Ain't nothing but a mistake  
Tell me why  
I never want to hear you say

[William Shakespeare]  
I want it that way

[Anne Hathaway]  
But I want it that way

### Larger Than Life

[Ensemble]  
All you people can't you see, can't you see  
How your love's affecting our reality  
Every time we're down, you can make it right  
And that makes you larger than-

[William Shakespeare]  
I've been running high from you screamin' my name, alright  
But let me tell you now, there are prices to fame, alright

[Ensemble]  
All of our time's spent in flashes of light

[William Shakespeare]  
All you people can't you see, can't you see  
How your love's affecting our reality

[William Shakespeare & Ensemble]  
Every time we're down, you can make it right  
And that makes you larger than-

[William Shakespeare]  
Looking at the crowd and I see your body sway, c'mon

[Ensemble]  
Wishin' I could thank you in a different way, c'mon  
All of your time spent keeps us alive

[William Shakespeare & Ensemble]  
All you people can't you see, can't you see?  
How your love's affecting our reality  
Every time we're down, you can make it right  
And that makes you larger than-

[William Shakespeare & (Ensemble)]  
-life!  
(All you people can't you see, can't you see?)  
Every time we're down  
Yeah, you can make it right  
(How your love's affecting our reality)  
Yeah, that's what makes you  
(Every time we're down, you can make it right)  
Larger than life!  
(And that makes you larger)

[William Shakespeare & Ensemble]  
That makes you larger  
That makes you larger  
Larger than life!

### I'm Not a Girl Not Yet A Woman

Solo: I used to think  
I had the answers to everything  
But now I know  
That life doesn't always  
Go my way, yeah  
Feels like I'm caught in the middle  
That's when I realize

I'm not a girl  
Not yet a woman

All I need is time  
A moment that is mine  
While I'm in between  
I'm not a girl

Solo: I'm not a girl  
But if you look at me closely  
You will see it in my eyes  
This girl will always find  
Her way

Solo: I'm not a girl don't tell me what to believe  
Ensemble: (Not yet a woman)  
Solo: I'm just tryin' to find the woman in me, yeah  
Ensemble: (All I need is time) solo: all I need is time  
Ensemble:(A moment that is mine) solo: that's mine  
While I'm in between  
I'm not a girl

### Baby One More Time

[Verse 1: Juliet]

Oh baby, baby, how was I supposed to know  
That something wasn't right here?  
Oh baby, baby, I shouldn't have let you go  
And now you're out of sight, yeah

[Pre-Chorus]

Show me how you want it to be  
Tell me, baby, 'cause I need to know now, oh, because

[Chorus]

My loneliness is killing me, and I  
I must confess I still believe  
When I'm not with you, I lose my mind  
Give me a sign  
Hit me baby one more time

[Verse 2]

Oh baby, baby, the reason I breathe is you  
Boy, you got me blinded  
Oh pretty baby, there's nothing that I wouldn't do  
It's not the way I planned it

[Pre-Chorus]

Show me how you want it to be  
Tell me, baby, 'cause I need to know now, oh, because

[Chorus]

My loneliness is killing me, and I

I must confess I still believe (Still believe)  
When I'm not with you, I lose my mind  
Give me a sign  
Hit me baby one more time

Oh baby, baby, how was I supposed to know?  
Oh pretty baby, I shouldn't have let you go

[Bridge]

I must confess that my loneliness is killing me now  
Don't you know I still believe  
That you will be here and give me a sign  
Hit me baby one more time

Hit me baby one more time
