

What I was born to do Lyrics

I was in the stands
Rooting for our team
When I saw the Buccaneer's cheer for the first time
Standing on their hands
Every move extreme
I looked around, do these people see what I see?

These Truman girls were super-human girls
And when they started to fly, I knew
That I would find a way to be up there one day
'Cause in that moment
I finally knew what I was born to do

Yeah (go Campbell, go Campbell)
Yeah (go, go, go Campbell, go)

Make a vow I was gonna be a cheerleader
Like the Buccaneer's in front of me
So I stumbled 'til I tumbled then I made the team
Now my life is every adolescent's favourite dream

Slow-motion down the hall (hey)
As kids all stop and stare
I feel like I'm a part of it all for the first time
And if I ever fall (no)
I know my squad is there
'Cause I've got the Buccaneer's here behind me

These Truman girls are super-human girls
And there is nothing that they can't do
(Nothing that they can't do)
Every of all the squads
They're semi-demi-gods
And when our power's combined
We do what we were born to do

Hey, ready? Okay!
My name is Skylar, I rep the Buc's with pride
I'm probably too cool for you so friend request denied (aw)
I'm Kylar, from Tyler, my real name is Inez
But Skylar said to change it and I do what Skylar says

My name is Bridget, I rock the parrot head
It's hot in here and kinda smells like someone wet the bed (gross)
What's up? My name is Steven, I'm so handsome it hurts
Don't need an umbrella, I stand under miniskirts (what)

Yeah, I'm a boss, don't care what the haters say
How many dudes can say they pick up girls all day?
Love you
Love you more

You never met me face-to-face
If you think cheerleaders are a waste of space
We work and we fight and train and hustle
We get mani pedi's but we're made of muscle

We got one shot that we work all year for
We got more balls than the team we cheer for
Nationals is getting closer by the minute
Last year, we took bronze, this year we're gonna win it
Bring it!

Counting down the days (hey)
Making new routines (oh)
Trying out a tumbling pass for the first time
Calling on a plays (hey)
Here behind the scenes (oh)
I look around, do these people see what I see? (I see)

These Truman girls are super-human girls
We've got the spirit and we'll see it through
(We've got the spirit and we'll see it through)
We've gladly payed our dues
With every sprain and bruise
Because we're doing what we're born to do
There is so much more to do
There is so much more to do

I can see it in my mind, this moment's mine
When we win first place, we'll know how bright we shine
We will move like parts of a finely tuned design
Not a wasted throw, not a toe across the line

We will leave it on the floor
We will leave it all on the floor
(We will leave it on, leave it on)
'Cause this is why we were born (go, go, go go)

Oh (T-R-U-MAN, Truman High)
There is no second place
You're either flying or falling (go, go, let's go)

Oh (T-R-U-MAN, Truman High)
Come on, pick up the pace
I hear destiny callin' (go, go, let's go)

Oh (these Truman girls)
(T-R-U-MAN, Truman High)
You cannot be afraid to fall down and work through it

Oh (these Truman girls)
'Cause this is what I'm born to do
So let's do it! (These Truman girls)
(These Truman girls)
(These Truman girls)

A legend in his own time
But I'm just a legend in
My own mind
Gimme the ball and fall back
I got this!
Drivin' the lane I'm insane
With the hottness

Yes I take it, I rip it, I flip it
I'm whippin'
It around double dribblin'
Without Scottie Pippen
And now for
Somethin' diff'rent
Y'all found this competition
And now y'all wanna go buck
Wild on television --
Wow I'll admit it's not how I
Envisioned it
But I'll stick with it if
Y'all stay sizzlin' hot
Pop & lock till we
Bop to the top --
Ladies bring it on if ya love
Hip hop!
And me, I'll grab ya when ya
Flip and drop!
Tell Jordan I'm comin'
For his spot!

Tryouts Lyrics

I remember my first tryout
And my second and third, too,
All the fear and criticism the judges put me through.
I felt so belittled -
Man, they put me on the rack,
And now that I'm a senior, this is my chance to give back!

I'll uphold the great tradition
With these young lives on my watch.
Let's set the stage, I've come of age
To be a gorgeous, & obnoxious
queen
oh yaaaaaaaaah!

One Perfect Moment

I'm not freaking out, I'm really okay
I'm totally chill or I will be someday.
'Cause I'm so near the top,
But there's so many mountains to climb.
There are plans to be planned,

drills to be drilled,
'Cause this dream that I've dreamed
Is becoming fulfilled,
And I plan to enjoy it,
but right now, I don't have the time.

Fade in on Campbell
An average teenager, almost grown -
Close-up on average grades
from the average life she's known.
Now zoom in the lens on the rest of her friends
As she stay alone
Doing the work. Getting it right.

'Cuz I know
We'll have to be practically perfect
So I'll go above and beyond and pull through.
This I can do.
All that I'm asking is one perfect moment in time.

I'm seventeen.
There are so many things that I can't control
So I'll go above and beyond and pull through, this I can do
All that I'm asking is one perfect moment in time

I'm seventeen, there are so many things that I can't control.
If I start to freak or feel weak, I focus on just one goal.
Turn down the panic, attack this routine like it owns my soul!

Turn up the music so loud that it swallows us whole -
And then there we are, we burn like a star,
We're safe inside the world we know -
Then suddenly I'm in prep for the climb and here I go!
High in the air, there is a moment just before you start to fall

Live in that one moment.
I know that if I can just stick the landing,
Then I'll know that somehow, my life will be fine -
And I'll go through the rest of my life understanding
What it feels like to shine.
The future's full of mysteries
So please let this be mine
My one perfect moment in time.

We Ain't No Cheerleaders

Danielle:

We ain't no cheerleaders.
We don't do favours for no football team.
Don't get it twisted, this isn't your sorority sisters
Singing swishin "rah rah sis boom bah" nuh uh!

Nautica and la Ciénega:

"rah rah blah blah blah"

Danielle:

Sing it wit me if ya feel me.
We don't get down with no Pom-poms

Nautica and la cienga:

Hell to the naw!

Danielle (with nautica and la cienga):

We bust our guts on every new routine.
When we roll (through) with our (crew)
No one can (do) what we do, it's true --
But we would still do it if no one was watching

Nautica:

And let's be real, who could blame them for watching?

Danielle:

When the DJ plays our song
And it all goes down
As planned
We're in the pocket, we're poppin' and lockin'
You prob'lly go shoppin'
With your daddy's credit card in your hand!
Dance crew girl
Ooooooh!

Danielle (with nautica and la cienga):

You can call us arrogant
But we work for what we have
Call us what (ever) is (clever) for (ever)
Please, but don't (you ever call us)
"rah rah sis boom bah"

Danielle:

You can call your therapist,
And complain "those girls ain't right" --

Nautica and la cienga:

Ain't right!

Danielle (with nautica and la cienga):

Cause every (day) we get (ha)ters
Who (say) they can take us
Okay baby, if that helps you sleep at night.
(Okay baby!)
But don't pretend like you know me
(you don't know me!)
Or you'll never get the chance.

Danielle & dance crew:

Stay up late if you wanna.
But don't tell your mommas

Danielle:

We ain't gonna "rah rah sis boom bah" --

Dance crew:

-- "rah rah blah blah blah"

Danielle:

Now would a cheerleader do this?

Dance crew:
"rah rah blah blah blah"

Danielle:
And would a cheerleader do that?

Dance crew:
"rah rah blah blah blah"

Danielle:
Didn't mean to scare you honey!

Dance crew:
"rah rah sis boom" --

Danielle & dance crew:
Ha!

So what are you waiting for?

Guy:

What are you

Girls & Guys:

Waiting for? AAAH -

Randall:

Look at her dancing
With skill and with joy --
Even dressed like a strange
And deranged Irish boy.
It's so plain to see
The spirit in her --
She's the kind of brave
That I wish I were!
More than beautiful
She's got character!
I thought I knew her
But man I was wrong.

That girl is no 3-minute bubble gum song.

She's driven, she's got heart
And she's a hottie to boot.
She can smile and bring it on
Even in a Leprechaun suit.

Girls:

-- go! Go! Go! Go!
Go! Go! Go!

Guys(overlapping):

Hey! Hey! Hey! Hey!
Hey! Hey! Hoo!

Mucho overlapping:

Randall:

Oh, even in a Leprechaun suit!
Oh, even in a Leprechaun suit!

Danielle:

Oh! Look at her go!
Oh! Look at her go!

Girls:

A' get your hands up! Hoo!
That's my girl! (3x)

Guys:

Ev'rybody here better get loud!
That's my girl in the middle of the crowd! (3x)

Danielle:

Oh! Look at her go! Go! go!

Girls & guys:

Ev'rybody here that's my girl!
Ev'rybody here that's my girl!

Get your hands up! Hands up!
Hands up!

All:

That's my girl!

Something Isn't Right Here lyrics

Campbell (sang):

I put her on the team
She was green as she could be.
I did it to be nice.
No one wanted her but me.

All my dreams were coming true,
I was captain, it was cool,

Then I'm suddenly redist-... redi..
Sent to another school!
So Skylar's next in line
But somehow Skylar flunks
So Kylar's should be captain
But Kylar's blowing chunks!
Is this all coincidence?
Just unrelated incidents
that happened to occur?
Miraculously making way for her?

Something isn't right here,
I don't know what it is.
None of this should be happening,
But it is, oh but it is,
It's like hearing a ticking sound
oming from unmarked packages!

Campbell(Spoken): Hang on just one second, I'll be right there.

Eva (Spoken): CAMPBELL!

Campbell (spoken): Nice. Hair.

Eva: Thanks.

Campbell: Eva, I love what you've done with your room.

Eva (spoken): You know you've always been my inspiration.

Campbell (sang):
Something isn't right here,
I got a spidey sense.
Too much has been going down
To chalk it up
To coincidence

Eva (spoken): What coincidence?

Campbell (spoken): That you, a sophomore , suddenly became captain of the squad.

Eva (Spoken): Campbell, that really hurts my feelings. You think I did all of this on purpose?
I'd never take anything away from you.

Steven: You're right! Club soda CAN get out a Yoo-Hoo stain.

Campbell (spoken) : Steven?

Steven (spoken): BABY! What are you doing here?

Campbell (sang): Something isn't right here!

Steven (spoken): Baby, it's no big.

Campbell (sang): Something isn't right here!

Steven (spoken): Eva's helping me with trig!

Campbell: Eva's helping you with Trig?! That's news to me.

Eva: Oh, Campbell, it's totally nothing. I just offered to help.

Campbell: Your alibi's pathetic i'm here to call your bluff!

There's no way you've studied trig yet!

There's no way he cares enough!

Made the team and you made captain,

now you're all up in his stuff!

Campbell :

She did it!

She did it!

She came up with a plan!

To take all that she took,

My team, my school, my man!

Next she'll win the lotto!

Or crap a four leaf clover!

Can I just be me who sees how she screwed us over?

Kyler :

So it's her fault I got mono?

And for Skylar's failing too?

And she somehow got you transferred and this whole thing's about you?

Skyler :

Yeah our teams without a captain

And our chances are-n't great,

but don't blame it on you mini me she stepped up to the plate.

Kyler:

She's barely out of diapers!

Skyler:

And yet you're sure it's true

Both Skyler & Kyler:

She's getting with your man

Who we all know worships you?

Skyler:

Yeah I see what's wrong unless you have more to tell us!

You're paranoid!

Kylar:
You're crazy!

Both Skyler & Kyler:
Or maybe you're just jealous!

Better Lyrics

Eva:

Wow!

They're really not that bad.

Skylar:

But we're better.

Kylar:

They nailed that basket toss.

Skylar:

But we're better.

Eva & Kyler:

It's a miracle they're here.

Skylar:

Still better.

Steven:

And that flip was crazy sauce!

Skylar:

But we're..

Kylar:

Look! They're blowing up on twitter!

Skylar:

They're only glue and glitter.

Eva:

Now Skylar, don't be bitter

Skylar:

But we're better!

(announcer)

And our first runner-up,

Accumulating enough points to qualify for varsity nationals: The Jackson Irish!

Skylar:

They're going to nationals?

Well what about us!?

It Ain't No Thing Lyrics

Nautica:

There's a saying that I learned
Passed down through centuries
Which translated from the
French means
'Sista please!'

Girl, you're special --
You're rough, yeah, but you're a gem.
And if people haven't seen it, Well, hey! That's on them!

So, you got a little baby face --
It ain't no thing, yeah.
Look at Twig! He's loves that grace!
It ain't no thing, yeah!

La Cienega:

Oh whoa, some kids used to tease me
And put me through hell --
Some people are mean.

La cienega/nautica:
But most people mean well
It's just their thinkin' -- is stinkin'

La cienega:
And a little outdated,
Or maybe they're merely
Unedumecated!
Got pretty eyes that ain't no lies--

It ain't no thing, yeah!

I'm daddy's little big surprise!

La Cinega & Nautica:
 It ain't no thing, yeah!
 Love who you are
 And the world will adore you –

La Cinega:
 And the couple that don't
 At least they can't ignore you!
 Now boys all want to buy me bling --
 It ain't no thing, yeah!
 It ain't no thing, yeah

Nautica/ensemble:
 Na na na! Hey, hey! Na na na! Hey, hey!
 Na na na! Hey, hey! Na na na! Hey, hey!

La ciénega:
 Don't walk away and leave cases unopened
 When you're playing 'Deal or no deal'

Nautica
 No deal!
 And don't you just take little pieces of life,

Bridget:
 I'm here to state I'm feeling great
 Celebratin' me!

Ensemble:
 Yeah yeah!

Bridget:
 I've got a big butt (work!) - Well so what? (work!)
 It's good as any other (woo, woo, woo!)
 And I think of you as sisters from another mother!
 Yeah I got some junk up in my trunk! (back it on up!)
 It ain't no thing, yeah!

La Cienega & Nautica:
 It ain't no thing, yeah! No it ain't, no

Bridget (Nautica & La Cienega):

Twig thinks I'm sexy -- who'd a thunk? (you better think!)
Let freedom ring, yeah!

La Cienega & Nautica:

Freedom! Freedom! Freedom!

Bridget:

I'm through hesitating
Time to get off the pot!

All:

You can give love
You can get love
Long as you love what you got!

Bridget:

I'm gonna kiss him real good
Like i dreamed i'd do (hoot, hoot, hoo)
And not just with my pillow
But with you-know-who!

La Cienega & Nautica:

You, know, whoo!

Nautica:

You got the spirit now girl, Dang!

La cienega:

Look at all the joy you brang!

Bridget:

Now I'm gonna end it with a bang!

Ensemble:

Whoo!

Bridget:

It ain't no thang!

Ensemble:

Na na na na, hey hey --

Na na na na, hey hey --

Bridget:

I mean it ain't no thing!

Oh no, it ain't no thing!

Ensemble:

Na na na! Hey hey!

Na na na! Hey hey!
No, it ain't

All:
No, it ain't!

Bridget:
No, It ain't no thing!

What Was I Thinking? lyrics

Campbell:

I'm not freaking out, I'm really okay -

I'm not freaking out, I'm really okay -

 What was I thinking?

 What was I thinking?

 What was I thinking?

 What was I thinking?

What was I thinking? (echos: What was I.. What was I thinking?)

Randall:

I'm a stud now, it's clear,
So it'll shock you to hear
That I was a total dork
My freshman year --

Campbell:

You?

Randall:

Right?

I was a loser, a mess,
A loner, depressed
That every day I had to be me
Walked around hoping no one would see me.

I'd lock myself in the guys room
And let the tears fall,
Til one day this custodian
Knocked on my stall

And asked if I'd heard
Of the band the grateful dead
And I thought he might not be
Quite right in the head,
But he changed my life around when he said:

"Right now everything seems so important,
But time rushes by at a clip.
And when you look back,
These high school years
Will be nothing more than a blip,
So you might as well -- enjoy the trip."

Campbell:
But it's such a long blip!

Randall:

That's what I said! And he said:
"Trust me on this, when you're older
And wiser and balder and fatter
And you look back on this moment in time
The only things that's gonna matter is,
Did you only do what you
Thought you should do?
Did you dance monkey dance
Cause the man told you to?
Or did you spend your time doing
What brings joy to you?
"All you see is this dude
With a broom in his hand,
But I've followed my dreams
And my favourite band.
So don't sit on your ass
Waiting for life to begin
If you do what you love
With your time, then you win!
What a long, strange, wonderful trip it's been!"

"Right now everything seems so important
But time rushes by at a clip.
And when you look back,
These high school years
Will be nothing more than a blip,
So you might as well -- enjoy the trip.

Randall & Campbell:
And when you look back,
These high school years
Will be nothing more than a blip,
Just a tale to tell

That rings a bell
Let's scream and yell!
We might as well enjoy the trip!

Killer Instinct Lyrics

Dear God up in heaven,
A prayer for Campbell,
Once she was my hero,
Now she's a disgrace.

I'm here on top
And she's less than zero,
dragging me down to save face.

She always worked hard,
She was trusting and fair,
And lord, that's the crux of her problem right there.

You need that killer instinct
To give you the nerve
To grab everything you want in life but may not deserve.
Like, if some girl's in your way there's only one thing to do:

You blackmail your mother who sits on the school board,
To get Campbell transferred and ripped from the life that she knew -
And your dreams come true!

Your dreams come true!
And your dreams come true!
And your dreams come true-ue-ue!,

It takes that killer instinct, that killer desire,
Are you the little ant or do you set the ants on fire?
And if there's two girls in line to lead the team before you -

Then you hack the school system and change Skyler's grade
From a D to an F
Then you hire some sick guy to lick Kylar's toothbrush so
She contracts mono
Now no one is left to be Captain so they turn to you!

And your dreams come true!

Backup Chorus:

Dreams come true
They do, yeah, yeeah

Eva:

Do I sound awful?
What have I become?
Who's that girl in the mirror I see?
Some backstabbing crazy I'd run screaming from
Oh god I just love being me!
Wouldn't all of you kill to be me!?

You need that killer instinct
Since time first began
From Genghis Khan to Bristol Palin
You need a killer plan.

You need to reach the top if it's the last thing you do!

I'm the girl to beat!
The high school queen!
Seniors kiss my ass and I'm just fifteen!

(Chorus):

and soon the world will know her name!

Eva:

I'm raisin' hell, and I'm a felon in a 4 foot frame!
I just use my killer instinct and my dreams come true
I just use my killer instinct
Oh Yeah!

We're Not Done lyrics

DANIELLE:

It's easy to ignore you
When I see you down the hall.
It's easy to be angry.
It's easy not to call.
To throw away this thing we had
And blame it all on you
It's harder to admit I miss it too.

It's hard when I come up with something new
And I can't show you
It's hard to see you suffering
It's hard because I know you
It's hard to find forgiveness
We've said all there is to say.
What sucks is I don't see another way.

The truth is that you're not too proud
To beg or act the fool.
The truth is that you're such a dork,
You kind of make it cool.
The truth is that I like you.
The truth is we had fun.
What's hard is missing what we had
And knowing we're not done
We're not done

DANIELLE:

We could just wait to graduate
and let the year go by
Or finish what we started
Let's do this, you

Danielle & Campbell:

And I

Danielle:

When they finally play our song

Campbell:

Imagine the lights

Danielle:

And we move in perfect time

Campbell:

In the middle of the crowd

Danielle:

We're in the pocket and no one can stop it,
We're not gonna drop -

Danielle & Campbell:

And we rock it, nobody can top it,
We're not gonna stop 'till we fly!

Campbell:

We're not done -

Danielle & Campbell:

'Till we fly

Campbell:

We're not done

Danielle & Campbell:

Till we fly

We're not done!

Eva's Rant lyrics

Well whoopee do you caught me.

Okay, everything is true.

I'll still wake up a winner, and you'll still wake up - you.

Go on, judge me all you want to.

Ignore me in the halls.

I just did what you wish you could but you don't have the balls!

Paint me as the villain, but by the time this ends
I'll have the trophy in my hands and all you'll have is friends!

You're all a bunch of losers!
I'm here to represent!
I'm dazzling! Magnificent!
I'm the one percent!!!

Cross the Line Lyrics

Lead vocalist:

How do we know who we are unless we cross the line?
How do we know who we are unless we cross the line?
How do we know who we are unless we cross the line?
How do we know who we are unless we cross the line?

When we were young and unafraid
We'd climb the highest wall we could find,
When we were young and unafraid we'd draw a line in the
Sand just to cross it -
We'd fall just to feel alive,
We knew we would be alright,
I wanna fall just to feel alive,
I feel like following me tonight --

How do we know who we are unless we cross the line?

Jackson squad:

Jackson hey!
Go! Go! Go! Let's go!

Lead vocalist:

How do we know who we are unless we cross the line?
How do we know who we are unless we cross the line?

Jackson squad:

Go! Go! Go! Let's go!

Lead vocalist:

How do we know who we are unless we cross the line?

Jackson squad:

We reach for what we love,
And when we fall

We know first place doesn't matter at all -
We're reaching higher and when we find that (what?)
Everyone's gonna stand up and say "rewind that!"

Danielle:

Hey miss lady!

Jackson squad (overlapping):

Move!

Shake a little bit shake a little bit uh!

Ow, ah ah ah ow ah ah ah ow ah
Ah ah --

Girls:

No they didn't --

Guys:

Yes we did!

Jackson squad:

Go Jackson!

Shake a little bit shake a little bit uh!
I know you came here just to see me tonight!
What are we waiting for?
Jackson -- go! Go! Get your hands up whoa!
Jackson -- go! Go! Get your hands up whoa!
Jackson -- go! Go! Get your hands up whoa!
Jackson! Get ready for Jackson! Go! Go!
Let's go! Let's go! Let's go! Let's go!

Danielle:

Ready?

Jackson squad:

Ready?

Danielle & Campbell:

Okay.

Now as long as I'm alive this moment's mine.

Jackson squad:

We don't need first place, we know how bright we shine.

Arena Crowd:

Jackson.. Jackson..

Jackson squad:

And if it all goes away tomorrow we'll be fine! (Jackson)

We will leave it all on the floor -

Leave it on the floor and reach for more (Jackson)

We will leave it all on the floor

Leave it on the floor and reach for more (Jackson)

We will leave it all, leave it all, leave it all on the floor and reach for more, and reach and reach as we cross the...

Lead vocalist:

Yeah!

Jackson squad (plus lead vocalist):

How do we know who we are unless we cross the line?

and as long as I'm alive this moment's mine --

How do we know who we are unless we cross the line?

You can keep first place we know how bright we shine -

And if it all goes away tomorrow we'll be fine, fine, fine -

Go Jackson! Go jackson! Go Jackson!

Go! Go! Go! Go!

Randall:

All:

But while we're here let's make the moment last

Campbell:

And in twenty years it's not
A shiny trophy that I'll miss,

All:

But I'll always smile when I remember this
Yeah!

I got you! I got you!

To hang out with when the day is through

Got no cash, got no wheels

But I know how being lucky feels

Got your hand in my hand, got your back,

I know you got mine too

I got you, I got you,
To hang out with when the day is through.

We got you, you got me -
Rolling, close like we're supposed to be!

I got joy, I got life
And I know no matter what I do -

I got you (I got you, I got you, I got)
I got you (I got you, I got you)
I got - you, you, you I got you!
